SHUBHAM KUMAR

FRONT END DEVELOPER

📞 +91 6203811361   📍 Adsar, Jamui, Bihar - 811307   ✉ shubhamkryadav108@gmail.com

ABOUT ME

I am a passionate and detail-oriented Front-End Developer with a strong foundation in HTML, CSS, JavaScript, WordPress and some modern frameworks like Bootstrap and React. With a focus on creating responsive, user-friendly interfaces, I turn design concepts into functional web experiences. I enjoy solving UI challenges, optimizing performance, and collaborating with cross-functional teams to build seamless digital products.

EDUCATION

2023 - 2025 (Pursuing)
NSHM Knowledge Campus, Durgapur

Master of Computer Applications

I will hold a Master of Computer Applications (MCA) degree, which has equipped me with a strong foundation in software development, web technologies, and modern programming practices.

2019-2022
Munger University

Bachelor of Computer Applications

I hold a Bachelor of Computer Applications (BCA) degree, where I built a solid foundation in programming, database management, and web development, laying the groundwork for my career in front-end development.
